Who we are

AsiaPay provides one of the most comprehensive, secure, cost-effective payment solutions and services to banks, merchants and individuals.

First in Asia

- First leading electronic payment service provider and gateway solutions provider in Asia
- Currently serving 11 leading banks in Asia
- Serving over 2,000 leading merchants in HK / Asia
- Market leader in HongKong, now expanding to the rest of Asia.

First in the Philippines

- The premier payment and eCommerce solutions provider affiliated with the leading Philippine credit card acquirer: BDO Equitable
- PesoPay – the first complete eCommerce payment service to Merchants
- eBigay – the first to enable the non-profit organizations to receive online donations
- Partner with four largest international credit cards: Visa, MasterCard, American Express, and JCB.
